As a curious and driven full-stack developer, I'm excited to apply my skills and experience to new challenges. With a solid grasp of programming fundamentals, particularly in Java, I'm confident in my ability to adapt and learn in fast-paced environments. I'm drawn to collaborative teams and innovative projects that push the boundaries of what's possible in technology.

EDUCATION

Cambridge institute of technology north campus, Bengaluru.

B.E | Computer science and Engineering | cgpa 8.3 (5th sem)

PROFESSIONAL SKILLS

- Programming Language
JavaScript, Java.
- Web Development
HTML, CSS, Tailwind, Figma, Github.
- Backend Development
Node.js, MySQL

PROJECT

Hotel Booking Application

- I developed a comprehensive hotel booking application using HTML, CSS, jQuery, Bootstrap, and JavaScript for the frontend, with Spring Boot and MySQL powering the backend. This project showcases my skills in full-stack development, integrating user-friendly design with robust backend functionality for seamless booking management.

LANGUAGE

English Hindi Kannada
